

McCotters Marina is proud to sponsor the Pamlico Sailing Club's Ocracoke Regatta, the longest-running big boat event on the east coast because it's the most FUN!

You don't have to be an accomplished sailboat racer to participate – you don't even have to be a blow-boater! The Ocracoke Regatta is open to any and all who want to spend a fun day out on the water, then get together to enjoy each other's company and share a little grub & grog in Ocracoke.
